WINSOME TEXTILE INDUSTRIES LIMITED

QMS POLICY

(Quality Management System Policy)

We at Winsome Textile Industries Limited, engaged in production of Yarn, their Blends & Knitted Fabric, are committed to Quality product and customer satisfaction.

WTIL is further committed to :

- Provide total customer satisfaction, both external and internal, with quality products and services conforming at all times, to clearly established norms and all legal requirements
- Develop a customer focused team by providing appropriate level of orientation and training to all our employees and the work force
- Strive for continual improvements by establishing and reviewing quality objectives
- Ensure that our actions conform to the values that WTIL attaches to its role and responsibilities towards its customers, environment and society, and
- Communicate the policy at appropriate levels and reviewed for continuing suitability.
